**COMPETITIVE SELECTION PROCESS THROUGH AN OPEN BIDDING  
FOR 6-MW SHORT-TERM (2021-2023) BASELOAD POWER SUPPLY**

**BID BULLETIN NO. 01-2021**

DATE : January 29, 2021  
TO : All Prospective Bidders and Observers  
SUBJECT: **UPDATE ON THE CSP PROCESS**

This refers to BLCI's CSP for the Procurement of 6 MW Baseload Power Supply with a Notice of Invitation to Bid, published in the ***Philippine Daily Inquirer*** and ***The Bohol Chronicle***, respectively, for two consecutive Sundays specifically on January 10, 2021 and January 17, 2021.

Please be informed that only one (1) Generation Company submitted a Letter of Intent along with proof of payment of the prescribed Bidding Document Fee, within the deadline (i.e. on or before January 27, 2021 at 5:00 PM.)

With only ***one prospective bidder*** at this early stage of the process, BLCI will no longer proceed to complete the entire process of the CSP because of absence of competition. Thus, the first round of bidding for subject procurement is deemed to have **failed**.

Since BLCI urgently needs the power supply requirement by 26 August 2021, or in less than seven (7) months, BLCI is now coordinating with the DOE for the conduct of rebid within the soonest possible time.

For your guidance and information.

Issued this 29<sup>th</sup> day of January 2021 at BLCI Office, Ramon Enerio St., Poblacion III, Tagbilaran City, Bohol.
